1-8-2018 William T. Parker, Author of "How Did You Get Here?", President of ABG Financial Services, Inc.

On January 8, 2018, William T. Parker, Author of "How Did You Get Here?" One Black Man's Journey through White Corporate America and President of ABG Financial Services, Inc. spoke to the Rotary Club of Sandy Springs.

From the website on the book,

"I have been a story teller almost from the time I learned to speak in coherent

sentences. I have used that skill, developed over a life time, to share my experiences in this book.

More importantly I am a "radical thinker", I have been told that I was "different" from my earliest memory, and I decided early on to use that "difference" to move in a direction contrary to the conventional wisdom.

I participated in the early Civil Rights demonstrations, which were designed to gain equal access to public accommodations, but then I decided to challenge the system by working to break down the barriers to success in the corporate world.

I started working in corporate America during the early years of the civil rights era.

My focus was to work my way up through the ranks of a major American corporation, and to help achieve economic parity for African Americans.

My objective now, is to reach into the hearts and minds of people with my story and to stimulate a new conversation about how young people today can deal effectively with the issue of race in the corporate environment.

Ultimately, I hope that "How Did YOU Get Here?" will inspire everyone to realize that life does not assign limitations to you based on other peoples perceptions.

Your dreams are always attainable."

Upcoming Club Event

Rotary Club of Sandy Springs' Participation with "Rise Against Hunger" Project To be Rescheduled.

The Rotary Club of Sandy Springs' participation in the the "Rise Against Hunger" along with the Rotary Club of Milton will be rescheduled due to the recent inclement weather. Chad Hagan will advise members of the new date for helping pack lunches. This is the 4th year the Rotary Club of Milton had participated in this international program that anticipates packing up to 21,800 meals! Learn more at [Rise Against Hunger](#)

From the organization's website, "Rise Against Hunger is driven by the vision of a world without hunger. Our mission is to end hunger in our lifetime by providing food and life-changing aid to the world's most vulnerable and creating a global commitment to mobilize the necessary resources.

OUR HISTORY

In 1998, envisioning a world without hunger, Ray Buchanan — a United Methodist minister — founded Stop Hunger Now. In 2017, Stop Hunger Now rebranded to become Rise Against Hunger. After enlisting as a U.S. Marine during the Vietnam War, Ray Buchanan quickly recognized that accomplishing a mission required "commitment to something larger than yourself."

Driving Rise Against Hunger's work is the recognition that ending hunger is more than just feeding people, which led Rise Against Hunger to focus its feeding programs in areas where we can have a real impact and expand its hunger-fighting programs beyond meal packaging and distribution.

If we can conquer
space, we can conquer
childhood hunger.
