

PRESIDENT'S CORNER

President Lisa Stueve's Welcome Message

Rotary International is an organization of business and professional leaders united worldwide who provide humanitarian service, encourage high ethical standards in all vocations, and help build goodwill and peace in the world.

The Rotary Club of Sandy Springs meets most Mondays at the Hilton Atlanta Perimeter Suites at 12:15 PM. The lunch program includes club business and also hosts guest speakers - business professionals, elected officials, non-profit leaders and others from the Sandy Springs area.

We're always looking for ways to make an impact in the community; our club members are actively engaged with senior and youth programs that support leadership development and student scholarship. While our motto and most important feature of Rotary International is "Service Above Self," we also work together in fellowship as we enjoy great camaraderie. Like us on Facebook Sandy Springs' Facebook Page to keep up to date on our club's activities!

At least 7 million children under the age of five die each year due to malnutrition, poor health care, and inadequate sanitation. To help reduce this rate, rotary international provide immunizations and antibiotics to babies, improve access to essential medical services, and support trained health care providers for mothers and their children. Their projects ensure sustainability by empowering the local community to take ownership of health care training programs.
