Dear John,

On behalf of Fulton County Schools, thank you and the Rotary Club of Sandy Springs for your generous support of Remote Learning for Middle School students at Sandy Springs Charter Middle School. Your gift of \$1,920 will provide 8 hotspots for low income families to access much needed online curriculum this fall during Universal Remote Learning in the Covid-19 pandemic.

Because of your support, we are addressing a critical need in the community to ensure all students have equal access to online learning. Thank you for making a difference in the lives of Fulton County Schools' students and helping all students learn to their full potential.

Sincerely,

Mike Looney
Superintendent
